Summer Time

It's summer! And what a time we had! As soon as school was let out we put on our suits and headed towards the pool. Everyone goes their seperate ways — doing what they like to do best. Some people just play all summer and some have to work. Do you remember all the baseball games? And how about the summer camps we HAD to attend! And we'll never forget WEBN's 10th anniversary fireworks downtown on the river. Whatever we did this summer — it was a time to remember

Our Freshman! In August we had a frosh orientation — so they wouldn't get lost.

Remember the carnival in Madeira this summer?

Young Life took 15 boys out to Colorado this summer to camp. What a time they had!

Homecoming Game 1977

Homecoming was a complete success this year. The weather was perfect and we stomped the Trojans 25-0 to a victory. Our homecoming queen was Jenny Beck escorted by Terry Yuan. (R to L) Denise Ackerman and Dave Dudley, Cindy Moody and Mark Theobald, Carol Groenwald and Tim Haeussler, Marti Jansen and Tom Armstrong, Queen Jenny Beck and Terry Yuan, Jeanne Marquart and Nicky Russo, not pictured was Freshman Cindy Belperio and Greg Fisher

The Junior class won trying to trample the Trojans. "Striking up a Victory" the Seniors did, winning the overall prize. All the floats this year were fantastic!

The game was very entertaining this year with the help of the band, doctors, and especially our CHEERLEADERS!

A close game it was — but the seniors never lost their team spirit!

Joe! That was a clip!

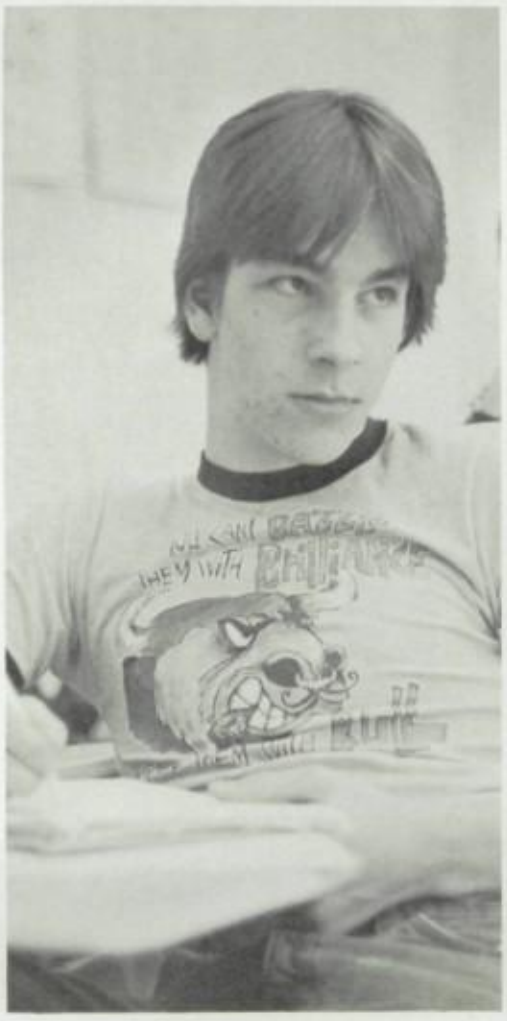
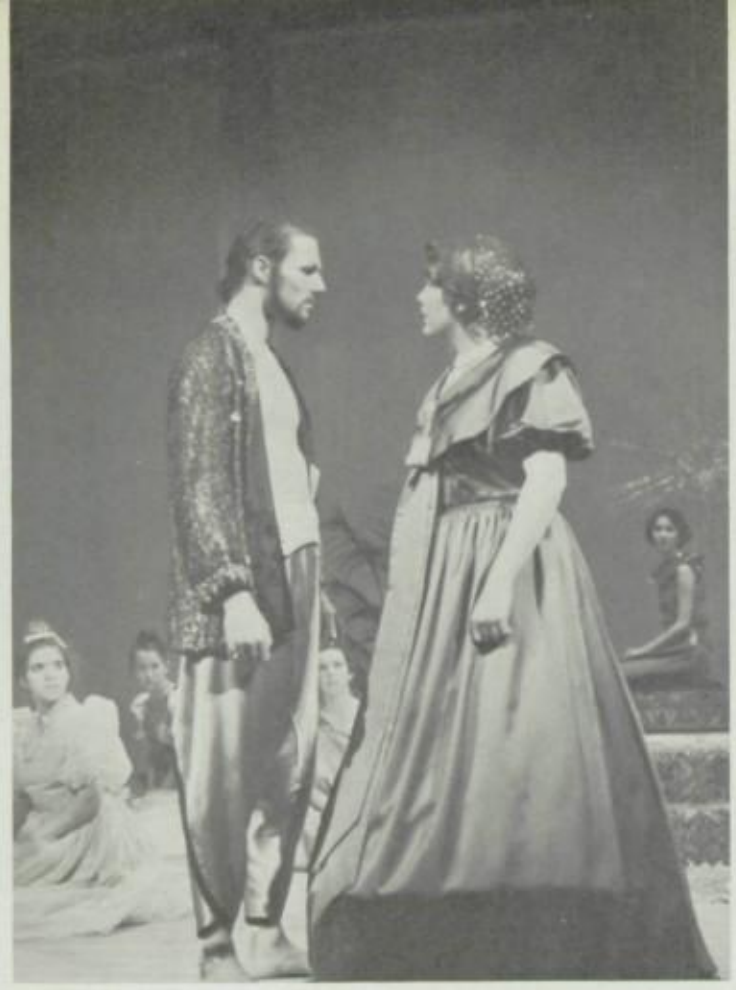
The
Curious
Savage

The 1977-78 Basketball Homecoming was a smashing success! Festivities began at half time on Friday night with crowning of the queen — Wanda Luft. The Mustangs finished the night off splendidly with their victory over Deer Park. Saturday night, students dressed up and attended the dance. Everyone had a great time, and memories of the evening bring a lot to look back on. Freshman attendant was Lynn Sanders; Junior attendant was Kelly Wilson; and Senior candidates for queen were: Linda Basile, Jenny Boettcher, Ronnie Borcherding, Martha Hitchcock, Cathy Kuykendall, Wanda Luft, Lisa Seifert, Karen Shank.



The King And I



The 1978 prom proved to be quite a bit different from past proms. Instead of the dance being held at a hotel, the junior class decided to make it special, and reserved the Old Coney Moonlight Pavillion. It was a chilly and rainy night, but the dance turned out great! Because of the cold weather, the majority of the people danced, and everyone seemed to have a good time. The prom court included King and Queen — Dale Sowders and Carole Toki. Attendants were: Pete Gillie and Cindy Moody; Greg Hoffeld and Jenny Beck; Roley Bechtel and Carol Groenewold; Greg Marquart and Marti Jansen; Dana Gregg and Karen Shank.

Football

Varsity Team

The Mustangs Football Team finished a successful season with a record of 5 wins, 3 losses, and 2 ties, taking third place in the E.H.L. Teamwork was the key to this year's success, with each member blending his talents towards winning. Greg Hoffeld was voted E.H.L. offensive quarterback and nine other players were given honorable mention. There will be plenty of talent returning, so we look forward to another winning season next year.

KAREN

The Freshman Football Team, led by Captains Todd Platt and Dave Redding, had a rough year. The team was plagued with injuries, which kept them from giving 110%, but the boys showed outstanding effort, which will be a great asset in the years to come.

The Amazons had a tremendous year, winning the league title for the seventh straight year and winning both sectional and district titles. Their only loss of the season was against Bexley, which placed the Amazons third in the state. With all the players but captains Carole Toki and Julie Thacker returning, we are looking for another great season next year. Congratulations, Champs!

The JV team had a very successful season, finishing first in the EHL with a 15-0 league record. The team worked well together, improving throughout the season. Several JV players went on to play varsity during some parts of the tournaments. With such excellent players in both JV and Varsity, we are looking for a state championship in the near future.

Soccer

The Mustang's soccer team, led by captains Dana Gregg and Rusty Winner, finished the season with an exciting tournament game against Milford. Dana Gregg scored the winning goal, ending a forty minute overtime. Girls were allowed to play for the first time this year which added a new flavor to the sport.

Senior Dave Penman was seeded third in sectionals and went on to districts. With only two seniors leaving the team, we are looking for another good season from the boy's Tennis Team next year.

The Girls' Tennis Team finished the season with a respectable third place standing in the EHL. In the Sectional, senior Cindy Moody and juniors Kathy Kaes and Tracy Bushelman reached round three.

Their overall record was an incredible 14-2, winning 88% of their games. With only one Senior graduating off the team, we are looking for the team to go to state next year.

The JV Basketball Team, led by Coach Hammond, ended their season with an 11-5 record, placing them third in the E.H.L. Several girls helped out the varsity team during the season.

Captain Karen Kinsella and senior Jenny Beck gave outstanding performances along with the 200 medley relay and 400 free relay teams. The girls are looking forward to another winning season next year.

Baseball

Although this year's Varsity baseball team was young and inexperienced, they finished the season admirably. With only two seniors, Captain Greg Hoffeld and Dana Gregg, leaving and all the pitchers being underclassmen, we are looking for a good, strong season from the team next year.

Squatting: Tom Gardner, Matt Evers, Don Anstaett, Mark Belperio, Harold Prather. Kneeling: Larry Powers, Dave Oury, Scott Penley, Andy Jansen, Jim Deerwester. Standing: Coach Gardner, Tom Gilligan, Chip McCreary, Mike Vordenberg, John Case, Greg Hoffeld, Todd Shelton. Not pictured: Dana Gregg.

Susan set a school record in the mile and the 880; she finished third in the state in the mile. The 440 team also set a school record in qualifying for state. Senco's world is building, no matter how you look at it.

Barely more than a quarter-century ago we built a better air-operated stapler. Today Senco is the world's largest and fastest-growing manufacturer of pneumatic portable staplers and nailers and the fasteners these tools drive.

Our growth is founded on providing time-saving fastening systems to a variety of businesses. Particularly the construction business. But other fields are just as important to us: Furniture and woodworking; palletizing, crating and other packaging applications; automotive, upholstering, cabinet making and bedding manufacturing, as well as shoemaking, and blind pinning in vanitory and toy applications.

In addition, paneling, trim and molding in mobile homes and rec vehicles are all becoming big business for our fast, trouble-free fastening systems, and we keep finding new customers in fields as far apart as beekeeping, picture framing and marine.

Our goal is basic. To help our customers build a better world for their customers.

More than 3,000 of us work at achieving this goal every day, in all principal U.S. cities as well as Canada, Mexico and 30 other countries.

Born in Cincinnati and building around the world.

Phyllis, Since I read all these letters I have a lot to say but I would rather say it to your face. So I'll just leave it at that. Maybe we'll get a chance to talk more about it. When I get up to M.H.S. I'll have as much fun as you. Love ya always Bets.
